(WARM SPRINGS, Ore., May 14, 2020) — Due to the current Covid-19 pandemic, The Museum At Warm Springs has been closed to the public since March 18. The Museum’s staff is on administrative leave through May 29.

A partial re-opening of the Museum is yet to be determined. An update will be posted in June.

During the public closure, the entire building has continued to be kept cleaned and sanitized.

“We will use guidelines from the American Alliance of Museums and the CDC, which prioritize health and safety measures that we will undertake as we plan for the Museum’s re-opening,” said Museum Director Elizabeth A. Woody. “In the meantime, I want to thank the public for its patience and understanding during this difficult time.”

“Our Museum is more than a building — it represents decades of dedication to the preservation of the history, culture and heritage of The Confederated Tribes of Warm Springs,” said Woody. “We look forward to welcoming visitors back to the Museum soon.”
